**NOTES**

1. The relative Statement pursuant to Section 102 of the Companies Act, 2013 with respect to the Special Business set out in the Notice is annexed thereto.
2. In view of the situation arising due to COVID-19 global pandemic, the Ministry of Corporate Affairs (MCA) has vide its General Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020, Circular number SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 Dated January 15, 2021 issued by the Securities and Exchange Board of India (SEBI) (collectively referred to as "the Circulars") companies are allowed to hold Annual General Meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM), without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC / OAVM.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. The deemed venue for the Thirty-Nine AGM shall be the Registered Office of the Company.
6. A Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to "the Circulars" through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
7. Members of the Company under the category of Institutional Investors / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the AGM are requested to send a certified copy of the Board resolution / authorization letter to the Company or upload on the e-voting portal.
8. In compliance with the aforesaid Circulars, Notice of the 39<sup>th</sup> AGM and the Annual Report 2020-2021 are being sent only through electronic mode to those members whose email addresses are registered with the Company / DPs. Members may note that the Notice and Annual Report 2020-2021 will also be available on the Company's website [www.shreetulsonline.com](http://www.shreetulsonline.com), websites of the Stock Exchanges i.e. Calcutta Stock Exchange Limited [www.cse-india.com](http://www.cse-india.com), BSE Limited [www.bseindia.com](http://www.bseindia.com), Metropolitan Stock Exchange Limited [www.msei.in](http://www.msei.in) respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
9. Company is providing two way teleconferencing facility or webex for the ease of participation of the members. Link for joining the meeting is being given separately.

28. Since the AGM will be held through VC / OAVM, the Proxy Form, Attendance Slip and Route Map is not annexed in this Notice.

29. Voting through electronic means:

A remote e-voting facility is provided in terms of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is offering e-voting facility to its Members in respect of the business to be transacted at Thursday, 16<sup>th</sup> September, 2021 at 11:00 A.M. IST through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM") with request to follow the instructions for voting electronically as under.

Any person, who acquires shares of the Company and becomes a shareholder of the Company after dispatch/email of the Notice of AGM and holds shares as of the cut-off date i.e. 09<sup>th</sup> September, 2021, may obtain the login ID and password by sending a request at [investors@shreetulsionline.com](mailto:investors@shreetulsionline.com).

The facility for voting during the AGM will also be made available. Members present in the AGM through VC and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

The voting rights of shareholders shall be in proportion to their shares of the paid up equity shares capital of the Company.

**The instructions of shareholders for remote e-voting and e-voting during AGM and joining meeting through VC/OAVM are as under:**

- (i) The e-voting period begins on 13<sup>th</sup> day, September, 2021 (9:00 A.M.) and ends on 15<sup>th</sup> day, September, 2021 (5:00 P.M.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) i.e. 09<sup>th</sup> September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat

**A. De-mat initiative**

Why De-mat: -

- |   |  |
|---|--|
| ➤ Easy portfolio monitoring   | ➤ Immediate transfer/trading of securities   |
| ➤ No physical shares can be transferred from 1st April 2019                   | ➤ Periodic status reports and information available on internet  |
| ➤ Elimination of all risks associated with physical certificates              | ➤ Saves the shareholder from going through cumbersome legal processes to reclaim the lost/ pilfered certificates |
| ➤ Elimination of bad deliveries & Faster settlement cycle                     | ➤ Postal delays and loss of shares in transit is prevented   |
| ➤ Immediate transfer/trading of securities                                    | ➤ Ease related to change of address  |
| ➤ No stamp duty is paid on transfer of shares                                 | ➤ Ensures faster communication to investors  |
| ➤ Faster disbursement of non-cash corporate benefits like Rights, Bonus, etc. | ➤ Provides more acceptability and liquidity of securities  |

In view of the above, all the investors who are holding shares in physical form, should consider opening a demat account at the earliest and submit request for dematerialisation of their shares in order to protect the liquidity of the shares.

### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Listing Regulation of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 aligned with Companies Act, 2013, the Management Discussion & Analysis Report for the year under review is given below;

#### **Background:-**

The Management Discussion and Analysis Report sets out the developments in the business, the Company's performance since the last Report and the future outlook. This Report is part of the Director's Report and the Audited Financial Statements, forming part of the Annual Report. However, certain statements made in this Report relating to the projections, outlook, expectations, estimates, etc, may constitute "forward looking statements" within the meaning of applicable laws and regulations and may differ from actual. Several factors could make a significant difference to the Company's operations, including climatic conditions, economic conditions affecting demand and supply, government regulations, revision in government policies, taxation and natural calamities over which the Company does not have any control.

#### **Overview:-**

India's exports in March 2021 grew by 60.29% to \$34.45 billion, as compared to \$21.49 billion in March last year, according to Department of Commerce data. In Rupee terms, exports were Rs 2,50,756.40 crore in March 2021, as compared to Rs 1,59,784.62 Crore in March 2020, registering a positive growth of 56.93 %.

The overall value of imports for the period April-March 2020-21 was \$389.18 billion or Rs. 28,76,918.30 crore, as against \$474.71 Billion or Rs 33,60,954.46 crore during the period April-March 2019- 20, down by 18.02 % in dollar terms or -14.40 % in Rupee terms. Merchandise exports grew 60.3% to a record \$34.45 billion, while imports rose 53.7% to \$48.38 billion, leading to a trade deficit of \$13.9 billion. Indian exporters and importers use the Suez channel for trade worth \$200 billion with North America, South America and Europe every year.

#### **Capital Inflows**

India's foreign exchange reserves reached Rs 37.31 lakh crore (US\$ 493.48 billion) in the week up to May 29, 2020 according to the data from RBI. India recorded a capital and financial account deficit of 166.97 USD Million in the fourth quarter of 2020.

Capital Flows in India is expected to be -100.00 USD Million by the end of this quarter, according to Trading Economics global macro models and analysts expectations. Looking forward, we estimate Capital Flows in India to stand at 27.00 in 12 months time. In the long-term, the India Capital Flows is projected to trend around 110.00 USD Million in 2022 and 7.93 USD Million in 2023, according to our econometric models.

#### **Impact from COVID-19 on India's imports 2021**

India was greatly affected by the coronavirus (COVID-19) pandemic in various sectors. Intending to get hold of the situation, India announced its first nation-wide lockdown in March 2020, which led to the economic slowdown. Consequently, international trade took a huge hit as well. In April 2021, imported commodities, specifically silver, pulses and newsprint, faced more than 27 percent decline compared to previous year. By contrast, gold, precious, semi-precious stones and pearls, had a positive change rate.

#### **India's economic loss due to COVID-19**

The coronavirus (COVID-19) pandemic laid additional stress on the country's already struggling economy. With a GDP growth of just three percent in the fourth quarter of the financial year 2020, a drop of more than 20 percent in the next quarter came as a huge blow. The markets reacted differently to the crisis, which was reflected in their growth rate. The automotive market was hit the hardest by the lockdown, as it showed the maximum negative growth. While most industries were shaken to their core, financial, real estate, and professional services were estimated to incur huge losses.

## **SHREE TULSI ONLINE.COM LIMITED**

### **L99999WB1982PLC035576**

---

A significant 53% of Indian businesses indicate the marked impact of the coronavirus pandemic on business operations even at early stages,” the FICCI said in a market survey released on 2020 March, citing immediate impact seen in the tourism, hospitality and aviation sectors.

#### **Global economic impact**

The outbreak of COVID-19 caused a massive economic recession, with six out of the seven largest economies showing a massive GDP loss in the third quarter of 2020. Out of the world's seven largest economies, the United Kingdom was the most negatively affected by the coronavirus (COVID-19) pandemic. As of the third quarter of 2020, the GDP growth rate of the UK stood at minus 9.6 percent compared to the previous year. Furthermore, the GDP of India was contracted by minus 7.5 percent. Only China experienced a positive GDP growth rate of 4.9 percent during that same period.

Due to measures introduced to curb the spread of the coronavirus (COVID-19) in India, residential mobility saw an increase in December compared to the previous months. Retail and recreation had the lowest shares that month compared to other categories with a decline of 28 percent. Despite easing restrictions, workplaces continued to see a decline in mobility with most employees preferring to work from home.

#### **COVID-19 impact on different sectors**

Reduced mobility and the unavailability of resources, due to restricted borders caused significant challenges to traditional retailers. The automotive industry, in particular, emerged as one of the worst impacted industries. Simultaneously, petroleum consumption decreased. Other industries such as healthcare or fast-moving consumer goods, were less effected due to their indispensability and local shopper clientele. E-commerce experienced a long-lasting benefit from the pandemic, as most online purchasers consider e-retail as a post-pandemic option.

In May 2020, 85 percent of females and 86 percent of males stated that they would continue buying products online even when businesses are open and social distancing measures are lifted. The most commonly purchased items were food and groceries, personal hygiene products, and household cleaning products.

#### **Future Outlook Road Ahead**

India's GDP is expected to reach US\$ 5 trillion by F.Y. 2028 and achieve upper-middle income status on the back of digitization, globalization, favorable demographics, and reforms.

India is presently known as one of the most important players in the global economic landscape. Its trade policies, government reforms and inherent economic strengths have attributed to its standing as one of the most sought after destinations for foreign investments in the world. Also, technological and infrastructural developments being carried out throughout the country augur well for the trade and economic sector in the years to come.

India is expected to be the third largest consumer economy as its consumption may triple to US\$ 4 trillion by 2025, owing to shift in consumer behavior and expenditure pattern, according to a Boston Consulting Group (BCG) report. It is estimated to surpass USA to become the second largest economy in terms of purchasing power parity (PPP) by 2040 as per a report by PricewaterhouseCoopers.

Exports in India is expected to be 28100.00 USD Million by the end of this quarter, according to Trading Economics global macro models and analysts expectations. Looking forward, we estimate Exports in India to stand at 31400.00 in 12 months time. In the long-term, the India Exports is projected to trend around 32900.00 USD Million in 2022, according to our econometric models.

In recent years, India exported mostly: pearls, precious and semi-precious stones and jewelry (16 percent of total shipments); mineral fuels, oils and waxes and bituminous substances (12 percent); vehicles, parts

and accessories (5 percent); nuclear reactors, boilers, machinery and mechanical appliances (5 percent); pharmaceutical products (5 percent); and organic chemicals (4 percent).

**Basis of preparation and presentation of our Financial Statements:-**

The Financial Statements have been prepared and presented under the historical cost convention, unless otherwise specifically stated, on the accrual basis of accounting and comply with the applicable accounting standards referred to in the Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

**Review of Operation:-**

The Company operates mainly in Indian Market. The management of Shree Tulsi Online.Com Limited presents the analysis of performance of the Company for the Financial Year 2020-2021 and its outlook for the future. This outlook is based on assessment of the current business environment. It may vary due to future economic and other developments. Total revenue from operation of the Company was during the year at ₹ 47,32,029/- in the comparison of previous year of ₹ 19,32,218/-.

**Opportunities and Threats:-**

**Opportunities**

The niche for growth within the current market players and the new comers will continue to provide support to the business. Also, the Start-up policy and fostering 'entrepreneur' spirit will create more employment opportunities in the country. Make in India initiative and increased incentives for the global players to set-up their facilities in India to aid in more employment generation and business in consultancy sector. Also, reduction in tax base rates from 30 to 25 percent for the capped turnover would be beneficial for the Company in the current situation.

**Threats**

- a) Competition in the Indian market from large traders
- b) Unfavorable Government regulations
- c) Unfavorable macro-economies and micro-economies conditions
- d) Recession in Industrialization and business environment
- e) Unable to retain talented staff if recruited by competitors
- f) Inability of retain top talented team members

**Information other than the Financial Statements and Auditor's Report thereon**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Financial Statements: -**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("IND AS") specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern

---

and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the standalone Ind AS financial statements:-**

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**“ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT**

**(Referred to in paragraph 2(f) under the heading ‘Report on Other Legal and Regulatory Requirements’ section of our Report of even date)**

**Independent Auditors’ Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Shree Tulsi Online.Com Limited (“the Company”), as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls: -**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s Responsibility: -**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting: -**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and Directors of the Company; and (3) provide reasonable

**L99999WB1982PLC035576**

---

assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting: -**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion: -**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

### Notes to Financial Statements as at and for the year ended 31st March, 2021

#### 1. Significant Accounting Policies and Key Estimates and Judgements

##### 1.1 Basis of Preparation of financial statements

These financial statements for the year ended 31<sup>st</sup> March 2021, is prepared in accordance with Indian Accounting Standards (“Ind AS”) consequent to the notification of The Companies (Indian Accounting Standards) Rules, 2015 (the Rules) issued by the MCA.

The financial statements have been prepared on accrual basis under the historical cost convention and ongoing concern concept, unless otherwise stated.

The financial statements have been prepared on a historical cost basis, except for certain financial assets measured at fair value as described in accounting policies regarding financial instruments.

##### Estimates

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made which affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized.

##### Estimation of uncertainties relating to the global health pandemic from COVID-19

The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of these financial results has used internal and external sources of information to assess the expected future performance of the Company. The Company has internally performed sensitivity analysis on the assumptions used and based on current estimates, the Company expects that the carrying amount of these assets, as reflected in the balance sheet as at 31st March 2021, are fully recoverable as on reporting date. The management has also estimated the future cash flows for the Company with the possible effect that may result from the Covid-19 pandemic and does not foresee any adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of Covid-19 pandemic may differ from the estimated as at the date of approval of these financial statements.

##### 1.2 Summary of Significant Accounting Policies

###### a. Current versus Non-Current Classification

All assets and liabilities have been classified as current or non-current as per the Company's Operating Cycle (twelve months) and other criteria set out in the Schedule III to the Act.

###### b. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking

**SHREE TULSI ONLINE.COM LIMITED**  
**L99999WB1982PLC035576**

---

into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

**Sale of Goods**

Revenue from the sale of goods is recognised on transfer of significant risks and rewards of ownership to customers based on the contract with the customers for delivery. Revenue from the sale of goods is net of returns and allowances, trade discounts and volume rebates. The Company collects Goods & Service Tax on behalf of the government and therefore, it is not an economic benefit flowing to the Company and hence excluded from revenue (if any).

**Interest Income**

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. Interest income is included in other income in the statement of profit and loss.

**Dividends**

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

**c. Taxes**

Tax expense is the aggregate amount included in determination of profit or loss for the period in respect of current tax & deferred tax.

**Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits (MAT Credit Entitlement) and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

**SHREE TULSI ONLINE.COM LIMITED**  
**L99999WB1982PLC035576**

---

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

**d. Property, Plant and Equipment**

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Expenditure directly attributable to expansion projects are capitalised. Administrative, general overheads and other indirect expenditure (including borrowing costs) incurred during the project period which are not related to the project nor are incidental thereto, are charged to Statement of Profit and Loss.

Depreciation on property, plant and equipment is provided under Written Down Value method at the rates determined based on useful lives of the respective assets and residual values which is in line with those indicated in Schedule II of The Companies Act, 2013.

The estimated useful life of the Property Plant and Equipment is given below:

<u>Asset Group</u>	<u>Useful life (in years)</u>	<u>Asset Group</u>	<u>Useful life (in years)</u>
Factory Building	30	Electrical Installation	10
Non-factory Building	60	Furniture & Fixtures	10
Plant & Equipment	8-15	Office Equipment and Vehicle	5-8
Computers	3		

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

**e. Investment Property**

Property that is held for Long Term rental yields or for capital appreciation or both and is not occupied by Company is classified as Investment Property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit or loss in the period of de-recognition.

Estimated useful life of Investment Property for calculation of Depreciation is taken as stated in para (d) above.

**SHREE TULSI ONLINE.COM LIMITED**  
**L99999WB1982PLC035576**

---

**f. Intangible Assets**

Intangible assets comprise of implementation cost for software and other application software acquired / developed for in-house use. These assets are stated at cost, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably, less accumulated amortisation and accumulated impairment losses, if any.

**g. Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**h. Inventories**

Inventories are valued at the lower of cost and net realisable value.

Finished Goods/ Stock-In Trade are valued at lower of cost or net realizable value. Cost comprises all costs of purchases and other cost incurred in bringing the inventory to its present location and condition. Cost is determined on First in First Out (FIFO) basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

**i. Impairment of Non-Financial Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or class of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**j. Retirement and other Employee Benefits**

All employee benefits falling due wholly within twelve months of rendering the service are recognized in the period in which employee renders the related service and charged to the Statement of Profit & Loss.

Since numbers of employee employed by the Company for any part of the year or throughout the year were within the prescribed threshold limit of the relevant statute relating to Employees, hence, the provisions of Employees' Provident Funds and Miscellaneous Provisions Act, 1952, Payment of Bonus Act, 1965, Employees' State Insurance Act, 1948. Payment of Gratuity Act, 1972 and all other allied Labour Acts or laws or any other rules and regulations relating to Employees are not applicable to the Company.

The employees employed by the Company during the year under review or part of the year have not completed continuous service period of 5 years and there is not any un-availed/unutilized leave of any employees working with the Company at the year end. As such, they are not entitled for Gratuity, Leave encashment and Other Retirement benefits. Accordingly, no provision is required to be made in respect of the retirement benefits. Also, no such payment of any retirement benefits have been made during the year.

**k. Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial Assets**

**(i) Initial Recognition and Measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the settlement date, i.e., the date that the asset is delivered to or by the Company which generally coincides with the trade date.

**(ii) Subsequent Measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

- a. Equity instruments at fair value through profit or loss (FVTPL)
- b. Debt instruments, if any, at amortised cost
- c. Equity Instruments in subsidiaries

**a. Equity Instruments at Fair Value through Profit or Loss (FVTPL)**

All equity investments in scope of Ind AS 109 are measured at fair value except equity investments in subsidiaries which are measured at cost as per Ind AS 27. For equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

**b. Debt instruments at amortised cost**

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- (b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the company

**SHREE TULSI ONLINE.COM LIMITED**  
**L99999WB1982PLC035576**

---

**c. Equity Instruments in subsidiaries**

Equity investments in Subsidiaries are carried at Cost, in accordance with option available in Ind AS 27 "Separate Financial Statements".

**(iii) De-Recognition**

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised (i.e. removed from the Company's balance sheet) when the rights to receive cash flows from the asset have expired.

**(iv) Impairment of Financial Assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss and credit risk exposure.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

As a practical expedient, the Company uses historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates to determine impairment loss allowance on portfolio of its trade receivables.

**Financial Liabilities**

**(i) Initial Recognition and Measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts.

**(ii) Subsequent Measurement**

The measurement of financial liabilities depends on their classification, as described below:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**(iii) De-Recognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

**(iv) Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**l. Fair Value Measurement**

The Company measures financial instruments, such as, quoted investments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- (iii) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements at fair value on recurring basis the Company determines whenever transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period and discloses the same.

**m. Cash and Cash Equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

**n. Cash Dividend to Equity Holders**

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

**o. Earning Per Share**

Earning per share is calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**p. Segment Reporting**

The Company's operating business segments are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

**q. Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

**r. Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

**s. Significant Accounting Judgements, Estimates and Assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

**(i) Estimates and Assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**a. Taxes**

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the losses and tax credits can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

**b. Expected Credit Loss Model**

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the Financial Assets. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. As a practical expedient, the Company uses historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates to determine impairment loss allowance on portfolio of its trade receivables.

**t. Exceptional Items**

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.
